Profile Summary

Experienced Laravel Web Developer with a proven track record of gathering and analyzing business requirements, implementing functional solutions, and maintaining core software. Skilled in troubleshooting, testing, and optimizing databases, resulting in improved functionality. Proficient in PHP, HTML, Codeigniter and Laravel frameworks, as well as MVC, JavaScript, AJAX, jQuery, Vue.js, and Next.js. Successfully collaborated with teams and senior developers, contributing to seamless project delivery. Demonstrated ability to prepare and modify MySQL databases as per project needs. Ready to leverage my 2+ years of experience to deliver impactful solutions in a challenging environment.
