### Declaration

I hereby, declare that the above information given is true & correct to the best of my knowledge & belief.

### Objective

I am looking a role that fosters professional growth by utilizing my skills and experience as a UI/UX designer. I aim to work on challenging projects where I can be creative and innovative delivering exceptional design solutions

### Summary

- Experienced UI/UX Designer with over 5+ years of proven expertise. Known for effectively solving problems and enhancing customer satisfaction.
- Skilled proficient in Website design, Mobile application design, Web application design, Graphic design, 2D/3D Illustration, Digital art, and Motion graphics. Experienced in using Figma, Adobe XD, Photoshop, Illustrator, and After Effects. Known for providing reliable design solutions and accustomed to working with cross-cultural, global teams.
- Proactive design team lead showcasing strong leadership skills, strategic planning capabilities, and adept problem-solving abilities. Supports managers in achieving challenging objectives by motivating team members and efficiently coordinating resources.

### Work Experience

#### ● Design Team Lead

**WPoets Technology LLP.** - (Jul 2022 to Present)

The role is responsible for providing leadership and direction to all team members. Working collaboratively as part of a team, I contribute to enhancing product quality and ensuring its availability to meet client needs effectively. I also specialize in resolving project issues by applying UI and UX strategies, which ultimately leads to the overall satisfaction of our clients.
