About Me

Hello! I'm Bhavin, a web designer with over 6+ years of experience in creating user-friendly websites. Excellent communicator and problem solver with experience in project management. This passion led me to develop my skills and build a rewarding career in web design.

Work Experience

Indylogix Solution

Web Designer | Dec 2017 - April 2019

- I worked as a Junior Web Designer.There, I designed and maintained websites, worked closely with the development team, and focused on improving user experience.

WCG pvt Ltd

Web Designer | April 2019 - Nov 2019

- I worked as a Junior Web Designer. One of my key achievements was redesigning the company's website, which significantly boosted user engagement. This role helped me develop essential web design skills and a strong foundation for my career.

I can Infotech

Web & UI/UX Designer | Nov 2019 - Jun 2022

- Designing an application and website prototype involves a structured approach to visually and functionally represent the intended product.Collaborate with other team members, including developers, graphic designers, and project managers.

Briskstar

Web & UI/UX Designer | Jun 2022 - Present

- I work as a dedicated web designer, focusing on creating engaging and functional websites. My role involves understanding client needs, conceptualizing designs, and translating them into user-friendly interfaces. I am committed to delivering visually appealing designs that align with brand identity and enhance user experience.
