ABOUT ME

Myself Rohit rathod , a skilled UI UX designer who obtained his MFA from Collage of visual arts, Pune. He possesses an excellent command of UI design and has expertise in using various software such as Photoshop, Illustrator, In-design, AdobeXD, Figma, and Primer PRO to design and structure posters, websites, app designs, banners, logos, and creative illustrations.

My proficiency in graphic design is a result of my 4 years of experience in the field, combined with my passion for art and creativity. I have a keen eye for detail and takes pride in creating visually appealing designs that capture the essence of his clients' brand and message.

With my excellent communication skills and a strong work ethic, I am always willing to go the extra mile to ensure that my clients are satisfied with the end product. my ability to translate complex ideas into visually appealing designs is unparalleled, and I am always willing to take on new challenges and push the boundaries of my creativity.
